**Honorable Vincent F. Papalia
United States Bankruptcy Judge**

This matter having come before the Court by letter application of TDR Services LLC ("TDR") dated May 22, 2020 [Dkt. No. 509] (the "Motion") for an Order reclassifying its general unsecured claim as an administrative claim of a professional for the Debtors; and the Court having considered the pleadings and arguments in support of and in opposition to the Motion and having held a hearing thereon on July 14, 2020; and the Court having placed its ruling on the Motion on the record on July 14, 2020; and the Court finding good and sufficient cause for the making and entry of the within Order;

IT IS HEREBY ORDERED THAT:

1. The Motion is denied as (i) the claim of TDR is based entirely on pre-petition services rendered to certain Debtors and are therefore not entitled to priority administrative status and (ii) TDR was not retained as a professional for the Debtors and it is therefore not entitled to a priority as an administrative claimant.
